

# Mt. Ashland/D6 After School Youth Ski & Ride Program

Scenic Middle School - Program Dates (Thursdays):

February 7, 14, 21, 28 and March 7 (2019)

Elementary School - Program Dates (Fridays):

February 8, 15, 22 and March 1, 8 (2019)

Departure Time: 3:45 p.m. (CPE / Scenic Middle School)

Approximate Return Time: 10:00 p.m.

## Important reminders for Parents, Participants and Chaperones:

- Students must ride the bus to/from Mt. Ashland unless being transported by their parent/guardian.
- Students should bring money for food or pack a lunch/dinner. A special combo meal is available in the lodge for school groups.
- Participants need to bring/wear appropriate clothing. It can get very cold and windy. Having the right equipment will add to the enjoyment of this activity.
- Severe weather and/or road conditions may result in cancellation by school staff or Mt. Ashland personnel. Make-up trips and refunds will not be provided. Services are not transferable (for example, a sibling/friend cannot take the place of participant that gets ill etc.).
- Students cannot switch from snowboard to skiing or vice versa after the forms are submitted.
- Designated chaperones will be driving private vehicles to assist in transportation of equipment and for emergency purposes. **Ski park permits are required for each vehicle.**
- If a participant becomes injured, parents may give permission for the student to be transported in a private vehicle. Major injuries will require ambulance transportation.
- Please be prompt for departure and arrival. It is best to arrive a few minutes before our scheduled departure time of 3:45 p.m. We should arrive back to the school by 10:00 p.m.
- Chaperones/Captains will encourage students to communicate via cell phones regarding estimated return time.
- Students may never ski or snowboard alone. Chaperones/Captains will assign buddy groups taking skill into consideration.
- Please make sure your student's chaperone is aware of any special needs, concerns or conditions your student may have. We want this to be a great experience for all participants.
