Students earning a high school diploma or GED within five years.

88%
Decrease from previous year

COLLEGE GOING
Students enrolling in a two or four year college within one year of completing high school.

Coming in 2018-19

School Goals
Crater BIS strives to maximize the potential of every student, inspire the curiosity of every student, and build a culture of innovators. Through our internship program and community partners, every BIS junior and senior participates in at least one and up to four internships over the course of two years. Our goal is to give every student options to be successful after high school. We are seeing evidence of success in our graduation rates and five-year completers’ rate.

State Goals
The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment
Our school strives to ensure all students and parents feel welcome by offering on-campus training for accessing student accounts, emails, grades and attendance. We offer a Parent Night the second week of school so all parents may meet individual teachers, learn about expectations for each classroom, and learn how to access resources on the high school campus for their student. Further, we provide bilingual staff at all parent conferences and throughout the school day as needed.

- Talented and Gifted: 79%
- Female: 78%
- Male: 73%

### ON-TRACK TO GRADUATE

- Not enough students

### ON-TIME GRADUATION

- Not enough students

About Our School

**ADVANCED COURSEWORK**

Crater BIS offers AP Calculus and AP Statistics.
We offer a number of honors courses in all levels of English and some social sciences.
Through our partnerships with RCC, SOU and KCC, we offer numerous college credits in the areas of mathematics, agriculture, English, business, marketing, science and others.
Some students graduate having completed their first year of college.

Students seeking additional college course work may make appointments with our guidance counselor who makes time in a student's schedule to allow for courses taken on a college campus.

**CAREER & TECHNICAL EDUCATION**

Crater BIS students have the option of enrolling in a large variety of CTE courses where kids can earn dual credit from a number of partner colleges.
Some of these courses include:
- Business management
- Web design
- Marketing
- Vet and Animal Science
- Intro to Ag
- Floral Design
- Plant Production
- Food Production
- Architecture and engineering
- Studio Drawing
- Commercial Art
- Welding 1, 2, 3

**EXTRACURRICULAR ACTIVITIES**

As one of three small schools on the Crater Campus, Crater BIS offers several academic focused extracurricular activities:
- Speech and Debate
- Drama
- National Honor Society
- Math Team
- Academic Scavenger Hunt
- DECA
- FFA
- Band
- Choir

Additionally, we offer a number of athletic programs:
- Volleyball, Football, Cross Country, Soccer
- Wrestling, Swimming, Basketball
- Track and Field, Cheerleading

**PARENT & COMMUNITY ENGAGEMENT**

Our school strives to engage all of our parents by providing language supports for parents where English is their second language.
Our school holds an annual parent night and Exhibition Night where students showcase their work for parents in order to demonstrate essential skills that have been learned throughout the year.
The principal of Crater BIS has an open door policy that allows parents to visit at any time to share concern or to give feedback.
