The Scenic Middle School team of teachers, educational aids, and administration is proud to present the 2017-2018 state report card for Scenic Middle School. Student success is a result of our teachers’ collaboration and development of curriculum, lessons, and instructional strategies designed to meet the demands of new and rigorous state standards. Our goal is always to be working towards continuous improvement in all educational practices at Scenic Middle School.

State Goals
The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment
Our mission is to provide a safe, respectful, and highly engaging learning environment in which all students are appropriately challenged while receiving an equally high level of support and encouragement. By fostering a “Growth Mindset” we believe all students will successfully work toward meeting their full academic and social potential, and be well prepared for high school and beyond. We look forward to continuing to serve our community with pride. Thank you for the support of our school and GO SPARTANS! Our
