

OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 2/19/2021

Under ODE’s **Ready Schools, Safe Learners** guidance, each school¹ has been directed to submit a plan to the district² in order to provide on-site and/or hybrid instruction. Districts must submit each school’s plan to the local school board and make the plans available to the public. This form is to be used to document a district’s, school’s or program’s plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to, school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,³ parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation. *It is required that a revised Operational Blueprint be completed and updated when there is a change of Instructional Model.*

1. Please fill out information:

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	Crater Renaissance Academy
Key Contact Person for this Plan	Adrienne Hillman
Phone Number of this Person	541-494-6371
Email Address of this Person	adrienne.hillman@district6.org
Sectors and position titles of those who informed the plan	Adrienne Hillman-Principal RN Windy Sigler-School Nurse Samantha Steele-Superintendent Katie Barber-SSC Davey Kashuba-Teacher David Heard-Athletic/Activities Director/Safety Officer Ryan Munn- D6 Special Programs Coordinator Michelle Grush-Campus Counselor Rick Austin-D6 Lead Custodian
Local public health office(s) or officers(s)	https://jacksoncountyor.org/hhs/Public-Health/CDC
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	Adrienne Hillman (in classroom spaces) David Heard (public spaces)
Intended Effective Dates for this Plan	2/2/2021-6/15/2021
ESD Region	SOESD

¹ For the purposes of this guidance: “school” refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, “school” will be used inclusively to reference all of these settings.

² For the purposes of this guidance: “district” refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

³ Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

Equity is at the center of all we do. Our staff is dedicated to placing all students in our communities at the center of our planning for 2020-21 school year. In our school, all students will have access to in-person learning 5 days every week. We have relied on results from “empathy interviews” conducted as part of our attendance work, district-wide surveys conducted during the Covid shutdown, anecdotal reports from families during the school closure, Facebook live Q and A events hosted by the principal, and equity meetings with students of color to inform our work and ensure we are keeping at the forefront of our minds the needs of the following groups of students:

- Students special needs
- Students who are English language learners
- Students qualifying for free or reduced lunch
- Students without transportation
- Students without internet access
- Students who identify as a student of color

Students without access to electronic devices will be offered ChromeBooks and hotspots, as needed.

3. Select which instructional model will be used:

On-Site Learning Hybrid Learning Comprehensive Distance Learning

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-22 in the initial template) and [submit online](#), including updating when you are changing Instructional Model (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dff75e4874c8a>).

* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT

This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning. For Private Schools, completing this section is optional (not required). Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.

Describe why you are selecting Comprehensive Distance Learning as the school’s Instructional Model for the effective dates of this plan.

N/A

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements.](#) Please name any requirements you need ODE to review for any possible flexibility or waiver.

N/A

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

Beginning February 2, 2021, we will start our new semester with 1, 4-day week of distance learning which includes health and safety, and cohort movement training, as well as content instruction. Starting February 8, 2021, we will reopen school for hybrid instruction. We have planned for all students on-site, based on the schedule used during comprehensive distance learning, having all students scheduled in up to four classes per day, in a two-day cycle (for a total of up to eight classes). Classes will be held in-person Monday, Tuesday, Thursday, Friday from 8:05-1:05; afternoons and Wednesdays have applied learning time built into the schedule to support all learners, especially those who are distance learners.

Families will be allowed to choose a hybrid option or a distance learning option.

The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.

ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models.

Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.

1. Public Health Protocols

1a. COMMUNICABLE DISEASE MANAGEMENT PLAN FOR COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Conduct a risk assessment as required by OSHA administrative rule OAR 437-001-0744(3)(g) . <ul style="list-style-type: none"> OSHA has developed a risk assessment template. 	Reviewed by Principal Adrienne Hillman and Building Rep Davey Kashuba. D6 Communicable Disease Plan D6-Exposure-Risk-Assessment-Form
<input checked="" type="checkbox"/> Implement measures to limit the spread of COVID-19 within the school setting, including when the school setting is outside a building.	Measures: Screening, Handwashing/hand-sanitizing, social distancing, required face masks, cohort stability, on-site rapid testing of symptomatic students or staff on campus. Frequently sanitation of restrooms and classrooms using electrostatic sprayers and other traditional cleaning products/procedures.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Update written Communicable Disease Management Plan to specifically address the prevention of the spread of COVID-19. Examples are located in the Oregon School Nurses Association (OSNA) COVID-19 Toolkit. <ul style="list-style-type: none"> • Review OSHA requirements for infection control plan to ensure that all required elements are covered by your communicable disease management plan, including making the plan available to employees at their workplace. Requirements are listed in OSHA administrative rule OAR 437-001-0744(3)(h). • OSHA has developed a sample infection control plan. ☒ Designate a single point-person at each school to establish, implement, support and enforce all RSSL health and safety protocols, including face coverings and physical distancing requirements, consistent with the Ready Schools, Safe Learners guidance and other guidance from OHA. This role should be known to all staff in the building with consistent ways for licensed and classified staff to access and voice concerns or needs. ☒ Create a simple process that allows for named and anonymous sharing of concerns that can be reviewed on a daily and weekly basis by the designated RSSL building point-person. Example: Anonymous survey form or suggestion box where at least weekly submissions and resolutions are shared in some format. ☒ Include names of the LPHA staff, school nurses, and other medical experts who provided support and resources to the district/school policies and plans. Review relevant local, state, and national evidence to inform plan. ☒ Process and procedures established to train all staff in sections 1 - 3 of the Ready Schools, Safe Learners guidance. Consider conducting the training virtually, or, if in-person, ensure physical distancing is maintained to the maximum extent possible. ☒ Protocol to notify the local public health authority (LPHA Directory by County) of any confirmed COVID-19 cases among students or staff. ☒ Plans for systematic disinfection of classrooms, common areas, offices, table surfaces, bathrooms and activity areas. ☒ Process to report to the LPHA any cluster of any illness among staff or students. ☒ Protocol to cooperate with the LPHA recommendations. ☒ Provide all logs and information to the LPHA in a timely manner. ☒ Protocol for screening students and staff for symptoms (see section 1f of the Ready Schools, Safe Learners guidance). ☒ Protocol to isolate any ill or exposed persons from physical contact with others. ☒ Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the Ready Schools, Safe Learners guidance). 	<p>Measure to limit spread of COVID-19:</p> <ul style="list-style-type: none"> • Cleaning Protocol • Cohort Tracking Protocol • Face Covering Protocol • Hand Hygiene Protocol • Isolation Measures Protocol • Notifying Public Health Authority Protocol • Physical Distancing Protocol • Student & Staff Screening & Testing Protocol • Visitors Entering Facility Protocol • COVID-19-Notification-Policy <p>D6 Communicable Disease Plan</p> <p>Union Building Rep will be the point person for anonymous concerns/questions regarding Covid-19 protocols.</p> <p>https://jacksoncountyor.org/hhs/Public-Health/CDC</p> <p>La Clinica School Based Health Center</p> <p>District Nurse Windy Sigler</p> <p>David Heard, Safety Officer, will be responsible for signage, training of staff, and enforcement of social distancing requirements within public spaces; Adrienne Hillman will be responsible for social distancing requirements within Renaissance classrooms.</p> <p>All concerns can be made directly to Principal Adrienne Hillman and AD David Heard through their respective school mailboxes. Concerns/observations can be made anonymously.</p> <p>Windy Sigler, D6 District Nurse & LPHA staff (through protocol development meetings with Tanya Frisendahl)</p> <p>Training of staff to monitor hygiene standards, physical distancing requirements, will take place beginning January 20, 2021, led by Adrienne Hillman.</p> <p>Notifying Public Health Authority Protocol</p> <p>Cleaning Protocol</p> <p>Notifying Public Health Authority Protocol</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made in consultation with a school/district nurse or an LPHA official. Sample logs are available as a part of the Oregon School Nurses Association COVID-19 Toolkit.</p> <ul style="list-style-type: none"> • If a student(s) is part of a stable cohort (a group of students that are consistently in contact with each other or in multiple cohort groups) that conform to the requirements of cohorting (see section 1d of the <i>Ready Schools, Safe Learners</i> guidance), the daily log may be maintained for the cohort. • If a student(s) is not part of a stable cohort, then an individual student log must be maintained. • <p><input checked="" type="checkbox"/> Required components of individual daily student/cohort logs include:</p> <ul style="list-style-type: none"> • Child's name • Drop off/pick up time • Parent/guardian name and emergency contact information • All staff (including itinerant staff, district staff, substitutes, and guest teachers) names and phone numbers who interact with a stable cohort or individual student <p><input checked="" type="checkbox"/> Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed.</p> <ul style="list-style-type: none"> • See supplemental guidance on LPHA/school partnering on contact tracing. • Refer to OHA Policy on Sharing COVID-19 Information <p><input checked="" type="checkbox"/> Process to ensure that all itinerant and all district staff (maintenance, administrative, delivery, nutrition, and any other staff) who move between buildings keep a log or calendar with a running four-week history of their time in each school building and who they were in contact with at each site.</p> <p><input checked="" type="checkbox"/> Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19.</p> <p><input checked="" type="checkbox"/> Designate a staff member and process to ensure that the school provides updated information regarding current instructional models and student counts and reports these data in ODE's COVID-19 Weekly School Status system.</p> <p><input checked="" type="checkbox"/> Protocol to respond to potential outbreaks (see section 3 of the <i>Ready Schools, Safe Learners</i> guidance).</p>	<p>Notifying Public Health Authority Protocol</p> <p><i>Staff are required to self-screen for COVID-19 symptoms and exposure prior to reporting for work.</i></p> <p>The following COVID-19 Staff Screening Tool will be used.</p> <p>David Heard, athletic director, will be responsible for signage, training of staff, and enforcement of social distancing requirements within public spaces; Adrienne Hillman will be responsible for social distancing requirements within CRA classrooms.</p> <p>Students/staff who are ill or exposed will be removed from class/duty and taken to room office space across from the safe in the CRA main office for isolation and screening.</p> <p>Exclusion Summary Guidance For k-12 Schools</p> <p>How to Handle Exposure to COVID-19 – School Scenarios</p> <p><i>Staff are required to self-screen for COVID-19 symptoms and exposure prior to reporting for work.</i></p> <p>The following COVID-19 Staff Screening Tool will be used.</p> <p>Contact tracing log will be kept as a function of class attendance in Synergy. Copies can be provided to public health officials as needed.</p> <p>District Health and Safety Officer David Heard will communicate with district office leadership and Jackson County Public Health and provide contract tracing logs as necessary.</p> <p>Principal Adrienne Hillman will submit these weekly reports.</p> <p>D6 Communicable Disease Plan</p> <p>Notifying Public Health Authority Protocol</p> <p>Student & Staff Screening & Testing Protocol</p> <p>Isolations Measure Protocol</p> <p>Communication for COVID Protocol COVID-19-Notification-Policy</p> <p>Cohort Tracking Protocol</p> <ul style="list-style-type: none"> • Transportation cohorts will be maintained by First Student Transportation. • Stable cohort logs maintained by Renaissance front office using Synergy systems. Student cohorts are identified by "Homeroom" status. • Cohort Tracking Protocol • Student and Staff Screening Protocol • Visitors Entering Facility Protocol

1b. HIGH-RISK POPULATIONS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Serve students in high-risk population(s) whether learning is happening through On-Site (<i>including outside</i>), Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models.</p> <p>Medically Fragile, Complex and Nursing-Dependent Student Requirements</p> <p><input checked="" type="checkbox"/> All districts must account for students who have health conditions that require additional nursing services. Oregon law (ORS 336.201) defines three levels of severity related to required nursing services:</p> <ol style="list-style-type: none"> 1. Medically Complex: Are students who may have an unstable health condition and who may require daily professional nursing services. 2. Medically Fragile: Are students who may have a life-threatening health condition and who may require immediate professional nursing services. 3. Nursing-Dependent: Are students who have an unstable or life-threatening health condition and who require daily, direct, and continuous professional nursing services. <p><input checked="" type="checkbox"/> Review Supplemental Guidance on Community and Health Responsibilities Regarding FAPE in Relation to IDEA During CDL and Hybrid.</p>	<p>All students will have access to up to 8 courses (4 per day / alternating day) with full support services in all learning models.</p> <p>1) All staff and students given the opportunity to self-identify as vulnerable or living with a vulnerable family member.</p> <p>Staff</p> <p><i>*Plan includes bus drivers, classified, and teachers self-identifying.</i></p> <ul style="list-style-type: none"> ● Redeployed staff members assigned to on-line instructional support, work tasks without in-person contact, (i.e., maintenance projects, office work), or leave options. <p>Medically Fragile, Complex and Nursing-Dependent Student</p> <ul style="list-style-type: none"> ● All students identified as vulnerable, either by a physician, district nurse, or parent/guardian notification, will be considered for enrollment in online instruction with weekly check-ins as needed to ensure student safety. ● Students who experience disability will continue to receive specially designed instruction. ● Students with language services will continue to receive English Language Development.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Staff and school administrators, in partnership with school nurses, or other school health providers, should work with interdisciplinary teams to address individual student needs. The school registered nurse (RN) is responsible for nursing care provided to individual students as outlined in ODE guidance and state law:</p> <ul style="list-style-type: none"> • Communicate with parents and health care providers to determine return to school status and current needs of the student. • Coordinate and update other health services the student may be receiving in addition to nursing services. This may include speech language pathology, occupational therapy, physical therapy, as well as behavioral and mental health services. • Modify Health Management Plans, Care Plans, IEPs, or 504 or other student-level medical plans, as indicated, to address current health care considerations. • The RN practicing in the school setting should be supported to remain up to date on current guidelines and access professional support such as evidence-based resources from the Oregon School Nurses Association. • Service provision should consider health and safety as well as legal standards. • Appropriate medical-grade personal protective equipment (PPE) should be made available to nurses and other health providers. • Work with an interdisciplinary team to meet requirements of ADA and FAPE. • High-risk individuals may meet criteria for exclusion during a local health crisis. • Refer to updated state and national guidance and resources such as: <ul style="list-style-type: none"> ○ U.S. Department of Education Supplemental Fact Sheet: Addressing the Risk of COVID-19 in Preschool, Elementary and Secondary Schools While Serving Children with Disabilities from March 21, 2020. ○ ODE guidance updates for Special Education. Example from March 11, 2020. ○ OAR 581-015-2000 Special Education, requires districts to provide ‘school health services and school nurse services’ as part of the ‘related services’ in order ‘to assist a child with a disability to benefit from special education.’ ○ OAR 333-019-0010 Public Health: Investigation and Control of Diseases: General Powers and Responsibilities, outlines authority and responsibilities for school exclusion. 	<p>Visitors/Volunteers</p> <p>Visitors/Volunteers will be unable to work in schools, or complete other volunteer activities that require in person.</p> <p>IEP Teams and 504 Teams will include administration, parents, general education staff, specialists, therapists, special education teachers, D6 Special Education Coordinator Ryan Munn, Crater School Counselor Michelle Grush and D6 Nurse Windy Sigler as needed.</p> <p>Individual student needs and communication will be addressed by appropriate team(s). Team members may include the student, family, Principal Adrienne Hillman, Student Services Coordinator Katie Barber, Counselor/504 coordinator Michelle Grush, and/or ESD SpEd teachers, District Nurse Wendi Sigler.</p> <p>This guidance has been carefully reviewed.</p> <p>Supplemental Fact Sheet Addressing the Risk of COVID-19 in Preschool, Elementary and Secondary Schools While Serving Children with Disabilities (March 21, 2020)</p> <p>Oregon’s Extended School Closure Guidance Spring 2020</p> <p>OAR 581-015-2000</p> <p>OAR 333-019-0010</p>

1c. PHYSICAL DISTANCING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. This also applies for professional development and staff gatherings. If implementing Learning Outside guidance, establish an outside learning space for learning that maintains minimum 35 square feet per person.</p> <ul style="list-style-type: none"> • Within this design, educators should have their own minimum of 35 square feet and the design of the learning environment must allow for some ability for the educator 	<p>Physical Distancing Protocol</p> <p>Renaissance Rooms (including sq. feet & occupancy)</p> <ul style="list-style-type: none"> • Room 13 – 761 – 21 students • Room 14 - 761 – 21 students • Room 46 – 896 – 25 students

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>to move through the room efficiently and carefully without breaking 6 feet of physical distance to the maximum extent feasible.</p> <p><input checked="" type="checkbox"/> Support physical distancing in all daily activities and instruction, maintaining six feet between individuals to the maximum extent possible.</p> <p><input checked="" type="checkbox"/> Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc.</p> <p><input checked="" type="checkbox"/> Schedule modifications to limit the number of students in the building or outside learning space (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering).</p> <p><input checked="" type="checkbox"/> Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don't employ punitive discipline.</p> <p><input checked="" type="checkbox"/> Staff must maintain physical distancing during all staff meetings and conferences, or consider remote web-based meetings.</p>	<ul style="list-style-type: none"> • Room 48 – 819 – 23 students • Room 49 – 1010 – 28 students • Room 50 – 1523 – 43 students • Room 52 – 1418 – 50 students • Room 57 – 1238 – 35 students • Room 58 – 761 – 21 students • Room 59 – 757 – 21 students • Room 60 – 1008 – 28 students • Room 203 – 1080 – 30 students • Room 206 – 1076 – 30 students • Room 603 – 2420 – 69 students • Room 800 – • Band Room – 1873 – 53 students • PAC Stage – 2430 – 69 students • PAC LOBBY – 2366 – 67 students • Student Center Classroom – 1001 – 28 students • Land Lab – • Headwaters – <p>Physical Distancing Protocol</p> <p>Cohorts will be assigned to specific entrances and exit points. David Heard will be responsible for enforcing social distancing in public spaces.</p> <p>All students will have access to up to 8 courses (4 per day / alternating day) with full support services in all learning models. Further information can be found in section 1d.</p> <p>Crater Renaissance Academy restorative justice practices with many classroom teachers using Positive Discipline structures.</p> <p>Principal Hillman will ensure physical distancing will occur during all in-person staff meetings. Zoom will be used for web-based meetings.</p> <p>Overall:</p> <ul style="list-style-type: none"> • When needed, we will remove extra furniture to make more space for students. • When possible, we will reconfigure furniture so students are not facing one another. • When possible, we will remove fabric-covered furniture. • We will assign seating to maximize physical distancing, minimize physical interaction, and comply with 35 square feet of space per student. • Students will be scheduled into stable cohorts. • Teachers will provide instruction in maintaining physical distancing. <p>Special Considerations:</p> <ul style="list-style-type: none"> • Special education services will be planned and provided by Case Manager in collaboration with general education teachers. Most SDI will be provided either in-house to MAPS cohorts or online for students who require resource support and SDI in math and/or reading. • Itinerant Speech/Language Pathologist/Autism/Social Support will be provided individual space to meet. All para-

OHA/ODE Requirements	Hybrid/Onsite Plan
	<p>professionals will be provided face-shields or plexiglass partitions.</p> <ul style="list-style-type: none"> PE Instruction/activity period: scheduled activity period can include in PE classes in the gymnasium, outside, or in classrooms with cohort groups; provide enough time for cleaning and sanitization between groups if using common spaces.

1d. COHORTING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Where feasible, establish stable cohorts: groups shall be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases. ☒ Students cannot be part of any single cohort, or part of multiple cohorts that exceed a total of 100 people within the educational week⁴, unless the school is offering Learning Outside, then they must follow guidelines for cohorting in Learning Outside guidance. Schools must plan to limit cohort sizes to allow for efficient contact-tracing and minimal risk for exposure. Cohorts may change week-to-week, but must be stable within the educational week. ☒ Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the Ready Schools, Safe Learners guidance). ☒ Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms. 	<p>Physical Distancing Protocol</p> <p>Classroom Cohorts</p> <ul style="list-style-type: none"> Crater Renaissance Academy primary classrooms are located in a converted gym that resulted in the formation of several larger than average classrooms. As you can see in the list in the previous section, many of these classrooms can safely hold 25-30 students. By using only the larger classrooms and creating blended learning labs in some of the extra-large spaces, Renaissance will be able to offer in-person on a daily basis for families that select that option. Students will meet for up to four periods each day, for up to eight periods total using an alternating day model (black days and green days). On one of the days, students will be in stable cohorts of approximately 25 students and will be able to complete most of their core content on that day. Students will remain in the same location primarily with teachers moving to the students. On the opposite day, student cohorts of up to 75 will rotate through four elective offerings including support and enrichment offerings. In each location, students will have the option of participating in a blended learning lab that includes access to any Acellus online course or an in-person elective (language, drama, art, music, etc.). Total academic student contacts per week will total approximately 75 students. <p>Cohort Tracking Protocol</p> <p>Further information can be found in section 1a.</p> <ul style="list-style-type: none"> Lunch will be delivered to students after the end of the in-person school day, at approximately 1:05. Students may choose to bring drinks from home. When possible, students will enter classrooms from exterior doors directly into classrooms, rather than walking through hallways (PAC, Student Center, 603, band room, 50, 52, 60, 57, 58, 59, science classrooms). Specific restrooms will be dedicated for Renaissance students.

⁴ The cohort limit is focused on the students experience and their limit of 100 people includes every person they come into contact with, including staff. There is not a limitation for staff in cohort size while care should be given to design and attention to the additional requirements.

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Cleaning and sanitizing surfaces (e.g., desks, dry erase boards, door handles, etc.) must be maintained between multiple student uses, even in the same cohort.	Cleaning Protocol All students have access to general education classrooms and cohorts. Staff training offered beginning February 20, 2021, will include hand washing requirements for staff. N/A
<input checked="" type="checkbox"/> Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade-level academic content standards ⁵ , and peers.	
<input checked="" type="checkbox"/> Minimize the number of staff that interact with each cohort to the extent possible, staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts.	
<input type="checkbox"/> Elementary staff who interact with multiple cohorts (music, PE, library, paraprofessionals who provide supervision at recesses, etc.) should have schedules altered to reduce the number of cohorts/students they interact within a week. Consider having these staff engage via technology, altering duties so that they are not in close contact with students in multiple cohorts, or adjust schedules to reduce contacts.	

1e. PUBLIC HEALTH COMMUNICATION AND TRAINING

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Communicate to staff at the start of On-Site instruction and at periodic intervals explaining infection control measures that are being implemented to prevent spread of disease.	Communications Protocol <ul style="list-style-type: none"> • Communications Protocol • Link to D6 Communicable Disease Plan • COVID-19-Notification-Policy In accordance with OSHA guidelines, signs have been posted throughout the school. <ul style="list-style-type: none"> • Communications Protocol • D6 Communicable Disease Plan • COVID-19-Notification Policy Communications Protocol
<input checked="" type="checkbox"/> Offer initial training to all staff prior to being in-person in any instructional model. Training could be accomplished through all staff webinar, narrated slide decks, online video, using professional learning communities, or mailing handouts with discussion. Training cannot be delivered solely through the sharing or forwarding information electronically or in paper copy form as this is an insufficient method for ensuring fidelity to public health protocols (see section 8b of the <i>Ready Schools, Safe Learners</i> guidance for specific training requirements). Note: Instructional time requirements allow for time to be devoted for professional learning that includes RSSL training.	
<input checked="" type="checkbox"/> Post “COVID -19 Hazard Poster” and “Masks Required” signs as required by OSHA administrative rule OAR 437-001-0744(3)(d) and (e) .	
<input checked="" type="checkbox"/> Develop protocols for communicating with students, families and staff who have come into close contact with a person who has COVID-19. <ul style="list-style-type: none"> • The definition of exposure is being within 6 feet of a person who has COVID-19 for at least 15 cumulative minutes in a day. • OSHA has developed a model notification policy. 	
<input checked="" type="checkbox"/> Develop protocols for communicating immediately with staff, families, and the school community when a new case(s) of COVID-19 is diagnosed in students or staff members, including a description of how the school or district is responding.	

⁵ Academic content standards refer to all of Oregon state academic standards and the Oregon CTE skill sets.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Periodic interval training also keeps the vigilance to protocols ever present when fatigue and changing circumstances might result in reduced adherence to guidance. ☒ Provide all information in languages and formats accessible to the school community. 	<p>Training for staff and students will be reviewed as needed.</p> <p>D6 staff will participate in district-wide training regarding operational blueprints and or RSSL guidelines prior to the start of Hybrid Instruction on Feb. 2nd.</p> <p>Communication:</p> <ul style="list-style-type: none"> ● The district safety committee (w/school nurse) in cooperation with La Clinica School-based Health Centers will develop communication to staff, students and families on the infection control measures being implemented to prevent spread of disease (see D6 Communicable Disease Plan) ● The district safety committee (w/school nurse) in cooperation with La Clinica School-based Health Centers will develop protocols for communicating with anyone who has come into close/sustained contact with a confirmed case or when a new case has been confirmed and how the district is responding. ● The district safety committee (w/school nurse) in cooperation with La Clinica School-based Health Centers will update D6 Communicable Disease Plan with communication protocols. ● Utilize pre-established parent communication “The Weekly” to update and educate families on COVID information. <p>Signage is posted and updated regularly throughout campus.</p> <p>Central Point School District 6 has a communication flow starting with notifications going to our District Health and Safety Officer David Heard.</p> <p>The District has translation for all communication. Using ParentSquare for periodic communications allows families to translate information as needed.</p>

1f. ENTRY AND SCREENING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Direct students and staff to stay home if they have COVID-19 symptoms. COVID-19 symptoms are as follows: <ul style="list-style-type: none"> ● Primary symptoms of concern: cough, fever (temperature of 100.4°F or higher) or chills, shortness of breath, difficulty breathing, or new loss of taste or smell. ● Note that muscle pain, headache, sore throat, diarrhea, nausea, vomiting, new nasal congestion, and runny nose are also symptoms often associated with COVID-19. More information about COVID-19 symptoms is available from CDC. ● In addition to COVID-19 symptoms, students must be excluded from school for signs of other infectious diseases, per existing school policy and protocols. See pages 9-11 of OHA/ODE Communicable Disease Guidance for Schools. 	<ul style="list-style-type: none"> ● Student and Staff Screening Protocol ● Isolation Measures Protocol <p>Screening Students:</p> <ul style="list-style-type: none"> ● CRA will have multiple entrances. Students will check in at the designated entry point determined by the location of their first class. Students will follow the Student & Staff Screening & Testing Protocols upon entry to campus and be directed to their 1st period classroom. ● Screening staffing detail sheet ● Campus monitors will ensure students comply with going immediately to classrooms.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ● Emergency signs that require immediate medical attention: <ul style="list-style-type: none"> ○ Trouble breathing ○ Persistent pain or pressure in the chest ○ New confusion or inability to awaken ○ Bluish lips or face (lighter skin); greyish lips or face (darker skin) ○ Other severe symptoms <p>☒ Diligently screen all students and staff for symptoms on entry to bus/school/outside learning space every day. This can be done visually as well as asking students and staff about any new symptoms or close contact with someone with COVID-19. For students, confirmation from a parent/caregiver or guardian can also be appropriate. Staff members can self-screen and attest to their own health, but regular reminders of the importance of daily screening must be provided to staff.</p> <ul style="list-style-type: none"> ● Anyone displaying or reporting the primary symptoms of concern must be isolated (see section 1i of the Ready Schools, Safe Learners guidance) and sent home as soon as possible. See table “Planning for COVID-19 Scenarios in Schools.” ● Additional guidance for nurses and health staff. <p>☒ Follow LPHA advice on restricting from school any student or staff known to have been exposed (e.g., by a household member) to COVID-19. See “Planning for COVID-19 Scenarios in Schools” and the COVID-19 Exclusion Summary Guide.</p> <p>☒ Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication must be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school. See the COVID-19 Exclusion Summary Guide.</p> <p>☒ Hand hygiene on entry to school every day: wash with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</p>	<ul style="list-style-type: none"> ● When the screening indicates that a student may be symptomatic, the student is directed to the office. *Follow established protocol from CDP (see section 1a). ● Handwashing stations or hand-sanitizers will be placed by each entrance prior to student entrance to classes. ● There are transportation specific screening protocols that must be followed. See section 2i for more information. <p>Screening Staff:</p> <ul style="list-style-type: none"> ● Staff are required to disclose when they may have been exposed to COVID-19 and should not report to work until cleared by medical professionals and building supervisor. Staff members, by signing in, attest that they are COVID-19 symptom free. ● Staff are required to disclose when they have symptoms related to COVID-19 and should not report to work until cleared by medical professionals and building supervisor. ● Staff members are not responsible for screening other staff members for symptoms. <p>Staff must follow same protocol of 72 hours without a fever (w/o medication) before returning to campus.</p> <ul style="list-style-type: none"> ● Isolation Measures Protocol ● Student and Staff Screening Protocol ● Renaissance will have multiple entrances for cohorts upon their arrival to school based on their first assigned class period. Trained staff will be assigned the duty of screening students upon their arrival. All cohorts will be assigned an entrance: <ul style="list-style-type: none"> ○ PAC stage (back entrance) ○ PAC lobby (front entrance) ○ Student center (a la carte entrance) ○ 603 ○ Band room ○ 52 (student parking lot entrance) ○ 57, 58, 59, 60, 50 ○ 46, 47, 48, and 49 through hallway E entrance <p>Screening Staff:</p> <ul style="list-style-type: none"> ● Staff are required to disclose when they may have been exposed to COVID-19 and should not report to work until cleared by medical professionals and building supervisor. ● Staff are required to disclose when they have symptoms related to COVID-19 and should not report to work until cleared by medical professionals and building supervisor. ● Staff members are not responsible for screening other staff members for symptoms. ● Staff must follow same protocol of 72 hours without a fever (w/o medication) before returning to campus.

OHA/ODE Requirements	Hybrid/Onsite Plan
	<p>Parents/guardians can provide information regarding existing conditions that cause coughing to be utilized for the purpose of screening, as previously existing coughs that are not worsening are not considered symptomatic of COVID-19.</p> <p>Isolation Measures Protocol</p> <p>Student & Staff Screening & Testing Protocol</p> <p>Hand Hygiene Protocol</p> <p>Ongoing: Weekly note: Reminders to parents to report actual symptoms when calling students in sick as part of communicable disease surveillance. Any student or staff known to have been exposed (e.g., by a household member) to COVID-19 shall not be allowed on campus until fulfilling quarantine as outlined in <i>Planning for Covid-19 Scenarios in Schools</i>.</p>

1g. VISITORS/VOLUNTEERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Restrict non-essential visitors/volunteers.</p> <ul style="list-style-type: none"> • Examples of essential visitors include: DHS Child Protective Services, Law Enforcement, etc. • Examples of non-essential visitors/volunteers include: Parent Teacher Association (PTA), classroom volunteers, etc. <p><input checked="" type="checkbox"/> Diligently screen all visitors/volunteers for symptoms and ask questions about symptoms and any close contact with someone diagnosed with COVID-19 upon every entry. Restrict from school property any visitor known to have been exposed to COVID-19. See the COVID-19 Exclusion Summary Guide.</p> <p><input checked="" type="checkbox"/> Visitors/volunteers must wash or sanitize their hands upon entry and exit.</p> <p><input checked="" type="checkbox"/> Visitors/volunteers must maintain six-foot distancing, wear face coverings, and adhere to all other provisions of the Ready Schools, Safe Learners guidance.</p>	<p>Visitors/Volunteers will be unable to work in schools, or complete other volunteer activities that require in person interaction, at this time. Adults in schools are limited to essential personnel only. Students needing to be picked up by a visitor will be released from the building by staff to the vehicle for pick up.</p> <p>Visitors Entering Facility Protocol</p>

1h. FACE COVERINGS, FACE SHIELDS, AND CLEAR PLASTIC BARRIERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Employers are required to provide masks, face coverings, or face shields for all staff, contractors, other service providers, visitors and volunteers.</p> <p><input checked="" type="checkbox"/> Face coverings or face shields for all staff, contractors, other service providers, visitors or volunteers following CDC guidelines for Face Coverings. Individuals may remove their face coverings while working alone in private offices or when separated by more than 6 feet in outside learning spaces. Face shields are an acceptable alternative only when a person has a medical condition that prevents them from wearing a mask or face covering, when people need to see mouth and tongue motions in order to communicate, or when an individual is speaking to an audience for a short period of time and clear communication is otherwise not possible.</p>	<p>All learning spaces have been equipped with a "Sanitation Station" containing masks, gloves, hand wipes, hand sanitizer, paper towels, large desk wipes and breath mints.</p> <p>Plexiglass Counter Partitions</p> <ul style="list-style-type: none"> • Provided for front office, attendance office, media center, and any other areas requiring face to face proximity of less than 6 feet. They are available upon request

OHA/ODE Requirements

- ☒ Face coverings or face shields for all students in grades Kindergarten and up following [CDC guidelines for Face Coverings](#). Face shields are an acceptable alternative when a student has a medical condition that prevents them from wearing a mask or face covering, or when people need to see the student's mouth and tongue motions in order to communicate.
- ☒ Face coverings should be worn both indoors and outdoors, including during outdoor recess.
- ☒ "Group mask breaks" or "full classroom mask breaks" are not allowed. If a student removes a face covering, or demonstrates a need to remove the face covering for a short-period of time:
 - Provide space away from peers while the face covering is removed. In the classroom setting, an example could be a designated chair where a student can sit and take a 15 minute "sensory break;"
 - Students must not be left alone or unsupervised;
 - Designated area or chair must be appropriately distanced from other students and of a material that is easily wiped down for disinfection after each use;
 - Provide additional instructional supports to effectively wear a face covering;
 - Provide students adequate support to re-engage in safely wearing a face covering;
 - Students cannot be discriminated against or disciplined for an inability to safely wear a face covering during the school day.
 -
- ☒ Face masks for school RNs or other medical personnel when providing direct contact care and monitoring of staff/students displaying symptoms. School nurses shall also wear appropriate Personal Protective Equipment (PPE) for their role.
 - [Additional guidance](#) for nurses and health staff.
 -

Accommodations under ADA or IDEA and providing FAPE while attending to Face Covering Guidance

- ☒ If any student requires an accommodation to meet the requirement for face coverings, districts and schools must limit the student's proximity to students and staff to the extent possible to minimize the possibility of exposure. Appropriate accommodations could include:
 - Offering different types of face coverings and face shields that may meet the needs of the student.
 - Spaces away from peers while the face covering is removed; students must not be left alone or unsupervised.
 - Short periods of the educational day that do not include wearing the face covering, while following the other health strategies to reduce the spread of disease.
 - Additional instructional supports to effectively wear a face covering.
- ☒ For students with existing medical conditions and a physician's orders to not wear face coverings, or other health related concerns, schools/districts **must not** deny any in-person instruction.
- ☒ Schools and districts must comply with the established IEP/504 plan prior to the closure of in-person instruction in March of 2020,

Hybrid/Onsite Plan

Facial shields are available for all staff but must be worn with face coverings. Face shields can be worn with clear protective covering, for students who are hard of hearing.

Facial coverings are not synonymous with facemasks.

Facial coverings are required and will be provided for:

- Child Nutrition Program staff
- All teacher including PE Teachers
- Classified and Special Education staff

Facial coverings are required for:

Children grades K-12;

Children of any age should not wear a face covering:

- If they have a medical condition that makes it difficult for them to breathe with a face covering;
- If they experience a disability that prevents them from wearing a face covering;
- They are unable to remove the face covering independently; or
- While sleeping.
- For students with existing medical conditions, doctor's orders to not wear face coverings, or other health related concerns, schools/districts must not deny access to On-Site instruction
- Lack of face coverings for use by children will not prohibit access to on site instruction but will be given access in isolated area of campus and served through distance learning.

[Face Covering Protocol](#)

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>or the current plan in effect for the student if appropriately developed after March of 2020.</p> <ul style="list-style-type: none"> • If a student eligible for, or receiving services under a 504/IEP, cannot wear a face covering due to the nature of the disability, the school or district must: <ol style="list-style-type: none"> 1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan including on-site instruction with accommodations or adjustments. 2. Not make placement determinations solely on the inability to wear a face covering. 3. Include updates to accommodations and modifications to support students in plans. • For students protected under ADA/IDEA, who abstain from wearing a face covering, or students whose families determine the student will not wear a face covering, the school or district must: <ol style="list-style-type: none"> 1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan. 2. The team must determine that the disability is not prohibiting the student from meeting the requirement. <ul style="list-style-type: none"> • If the team determines that the disability is prohibiting the student from meeting the requirement, follow the requirements for students eligible for, or receiving services under, a 504/IEP who cannot wear a face covering due to the nature of the disability, • If a student’s 504/IEP plan included supports/goals/instruction for behavior or social emotional learning, the school team must evaluate the student’s plan prior to providing instruction through Comprehensive Distance Learning. 3. Hold a 504/IEP meeting to determine equitable access to educational opportunities which may include limited in-person instruction, on-site instruction with accommodations, or Comprehensive Distance Learning. <p><input checked="" type="checkbox"/> For students not currently served under an IEP or 504, districts must consider whether or not student inability to consistently wear a face covering or face shield as required is due to a disability. Ongoing inability to meet this requirement may be evidence of the need for an evaluation to determine eligibility for support under IDEA or Section 504.</p> <p><input checked="" type="checkbox"/> If a staff member requires an accommodation for the face covering or face shield requirements, districts and schools shall work to limit the staff member’s proximity to students and staff to the extent possible to minimize the possibility of exposure.</p>	<p>Face Covering Protocol</p> <p>Students whose attendance is adversely impacted because of an inability to wear a face covering will be contacted to develop or edit a 504/IEP.</p> <p>Plexiglass Counter Partitions and face shields will be provided for</p> <ul style="list-style-type: none"> • Front office • Student services office • Library • PAC • Any staff member who has requested them.

1i. ISOLATION AND QUARANTINE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Protocols for exclusion and isolation for sick students and staff whether identified at the time of bus pick-up, arrival to school, or at any time during the school day.</p> <p><input checked="" type="checkbox"/> Protocols for screening students, as well as exclusion and isolation protocols for sick students and staff identified at the time of arrival</p>	<ul style="list-style-type: none"> • Isolation Measures Protocol • Student & Staff Screening & Testing Protocol • Defer to District 6 Communicable Disease Plan for appropriate isolation determination and processes.

OHA/ODE Requirements

or during the school day. See the [COVID-19 Exclusion Summary Guide](#).

- Work with school nurses, health care providers, or other staff with expertise to determine necessary modifications to areas where staff/students will be isolated. If two students present COVID-19 symptoms at the same time, they must be isolated at once. If separate rooms are not available, ensure that six feet distance is maintained. Do not assume they have the same illness. Consider if and where students and staff will be isolated during learning outside. Create a comfortable outdoor area for isolation or follow plan for in building isolation.
- Consider required physical arrangements to reduce risk of disease transmission.
- Plan for the needs of generally well students who need medication or routine treatment, as well as students who may show signs of illness.
- [Additional guidance](#) for nurses and health staff for providing care to students with complex needs.

Students and staff who report or develop symptoms must be isolated in a designated isolation area in the school or outside learning space, with adequate space and staff supervision and symptom monitoring by a school nurse, other school-based health care provider or school staff until they are able to go home. Anyone providing supervision and symptom monitoring must wear appropriate face covering or face shields.

- School nurses and health staff in close contact with symptomatic individuals (less than 6 feet) must wear a medical-grade face mask. Other Personal Protective Equipment (PPE) may be needed depending on symptoms and care provided. Consult a nurse or health care professional regarding appropriate use of PPE. Any PPE used during care of a symptomatic individual must be properly removed and disposed of prior to exiting the care space.
- After removing PPE, hands shall be immediately cleaned with soap and water for at least 20 seconds. If soap and water are not available, hands can be cleaned with an alcohol-based hand sanitizer that contains 60-95% alcohol.
- If able to do so safely, a symptomatic individual shall wear a face covering.
- To reduce fear, anxiety, or shame related to isolation, provide a clear explanation of procedures, including use of PPE and handwashing.

Establish procedures for safely transporting anyone who is sick to their home or to a health care facility.

Staff and students who are ill must stay home from school and must be sent home if they become ill at school, particularly if they have COVID-19 symptoms. Refer to table in ["Planning for COVID-19 Scenarios in Schools."](#)

Involve school nurses, School Based Health Centers, or staff with related experience (Occupational or Physical Therapists) in development of protocols and assessment of symptoms (where staffing exists).

Record and monitor the students and staff being isolated or sent home for the LPHA review.

Hybrid/Onsite Plan

- Each school principal (or designee) will connect regularly with school nurse and or School-based health Center Personnel on updates for plan and isolation measures taken to that point.
- All students who become ill at school with excludable symptoms will remain at school supervised by staff until parents can pick them up in the designated isolation area. Student will be provided a facial covering (if they can safely wear one). Staff should wear a facial covering and maintain physical distancing, but never leave a child unattended **or unsupervised**.

While exercising caution to maintain (ensure) safety is appropriate when working with children exhibiting symptoms, it is also critical that staff maintain sufficient composure and disposition so as not to unduly worry a student or family.

- Staff will maintain student confidentiality as appropriate.
- Daily logs must be maintained containing the following:
 - Name of students sent home for illness, cause of illness, time of onset, as per designated communicable disease surveillance logs; and
 - Name of students visiting the office for illness symptoms, even if not sent home, as per routine health logs

[Student & Staff Screening & Testing Protocol](#)

- [Notifying Public Health Authority Protocol](#)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> The school must provide a remote learning option for students who are required to be temporarily off-site for isolation and quarantine.	<ul style="list-style-type: none"> The front office will record and monitor the progress of isolated students and staff for the LPHA review. <p>Use of Canvas and Applied Learning time allows teachers to continuously serve students who must be isolated or quarantined for periods of time.</p>

2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for instructional and extra-curricular activities requiring additional considerations (see section 5f of the **Ready Schools, Safe Learners** guidance).

2a. ENROLLMENT

(Note: Section 2a does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Enroll all students (including foreign exchange students) following the standard Oregon Department of Education guidelines.	All students will be enrolled following the Oregon Department of Education guidelines.
<input checked="" type="checkbox"/> The temporary suspension of the 10-day drop rule does not change the rules for the initial enrollment date for students: <ul style="list-style-type: none"> The ADM enrollment date for a student is the first day of the student's actual attendance. A student with fewer than 10 days of absence at the beginning of the school year may be counted in membership prior to the first day of attendance, but not prior to the first calendar day of the school year. If a student does not attend during the first 10 session days of school, the student's ADM enrollment date must reflect the student's actual first day of attendance. Students who were anticipated to be enrolled, but who do not attend at any time must not be enrolled and submitted in ADM. 	<p>All students will be enrolled following the Oregon Department of Education guidelines.</p> <p>No student will be dropped for non-attendance if they meet the following conditions:</p> <ul style="list-style-type: none"> Are identified as vulnerable, or otherwise considered to be part of a population vulnerable to infection with COVID-19. Have COVID-19 symptoms for the past 14 days <p>CRA attendance office administration will work with the attendance office to monitor and identify students who are missing school. We have a system for checking in with families and will provide support as needed.</p>
<input checked="" type="checkbox"/> If a student has stopped attending for 10 or more days, districts must continue to try to engage the student. At a minimum, districts must attempt to contact these students and their families weekly to either encourage attendance or receive confirmation that the student has transferred or has withdrawn from school. This includes students who were scheduled to start the school year, but who have not yet attended.	Crater Renaissance Academy will follow all state attendance guidelines including the suspension of the 10-day drop attendance policy.
<input checked="" type="checkbox"/> When enrolling a student from another school, schools must request documentation from the prior school within 10 days of enrollment per OAR 581-021-0255 to make all parties aware of the transfer. Documentation obtained directly from the family does not relieve the school of this responsibility. After receiving documentation from another school that a student has enrolled, drop that student from your roll.	
<input checked="" type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns.	Crater Renaissance Academy will follow all state attendance guidelines including the suspension of the 10-day drop attendance policy.

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> When a student has a pre-excused absence or COVID-19 absence, the school district must reach out to offer support at least weekly until the student has resumed their education. <input checked="" type="checkbox"/> When a student is absent beyond 10 days and meets the criteria for continued enrollment due to the temporary suspension of the 10 day drop rule, continue to count them as absent for those days and include those days in your Cumulative ADM reporting.	<p>Crater Renaissance Academy will follow all state attendance guidelines including the suspension of the 10-day drop attendance policy. We will coordinate with districts which have enrolled D6 students.</p> <p>Student/families have full choice in choosing instructional models.</p> <p>Crater Renaissance Academy will have office staff and/or blended learning lab teachers communicate with students who have had pre-excused and/or COVID-19 absences.</p> <p>Crater Renaissance Academy will follow all state attendance guidelines including the suspension of the 10-day drop attendance policy.</p>

2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Grades K-5 (self-contained): Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input checked="" type="checkbox"/> Grades 6-12 (individual subject): Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input checked="" type="checkbox"/> Alternative Programs: Some students are reported in ADM as enrolled in a non-standard program (such as tutorial time), with hours of instruction rather than days present and days absent. Attendance must be taken at least once for each scheduled interaction with each student, so that local systems can track the student’s attendance and engagement. Reported hours of instruction continue to be those hours in which the student was present. <input checked="" type="checkbox"/> Online schools that previously followed a two check-in per week attendance process must follow the Comprehensive Distance Learning requirements for checking and reporting attendance. <input checked="" type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver’s work schedule, and mental/physical health.	<p>Attendance will be taken daily in each scheduled class following ODE guidance.</p> <p>All “alternative” programs such as Headwaters will be taken at least once per day per interaction.</p> <p>N/A</p> <ul style="list-style-type: none"> • Welcome back parent letter prepared by Principal Adrienne Hillman will communicate expectations. • Student Services Coordinator Katie Barber will communicate attendance and participation expectations and family involvement expectations through ParentSquare. • Progress reports will be generated quarterly. • Student/families have full choice in choosing instructional models.

2c. TECHNOLOGY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Update procedures for district-owned or school-owned devices to match cleaning requirements (see section 2d of the <i>Ready Schools, Safe Learners</i> guidance). <input checked="" type="checkbox"/> Procedures for return, inventory, updating, and redistributing district-owned devices must meet physical distancing requirements. <input checked="" type="checkbox"/> If providing learning outside and allowing students to engage with devices during the learning experiences, provide safe charging stations. 	<ul style="list-style-type: none"> ● Cleaning Protocol ● Clean and sanitize each device brought in for updates, repair, return, inventory, or redistribution. <p>Physical Distancing Protocol</p> <ul style="list-style-type: none"> ● Clean and sanitize each device brought in for updates, repair, return, inventory, or redistribution. ● Continue Canvas/Acellus implementation work to facilitate continuous learning experiences that occur on-site and in a distance learning setting (off-site); include options for digital learning and provision of devices and internet service through wi-fi hotspots as needed. ● Share the list of all the software and student-facing technology solutions with families. ● Plan for adequate technology at home for off-site working, teaching, and learning. <p>Review technology policies and data privacy policies and update if needed.</p> <p>Establish a family and educator technical support/help desk to support the use of technology (could be supported by designated staff, student leaders, and volunteers).</p> <p>Charging stations are available in rooms 57, 206, PAC lobby, and in mobile carts.</p>

2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Handwashing: All people on campus shall be advised and encouraged to frequently wash their hands or use hand sanitizer. <input checked="" type="checkbox"/> Equipment: Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use. <input checked="" type="checkbox"/> Events: Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent meetings and other large gatherings to meet requirements for physical distancing. <input checked="" type="checkbox"/> Transitions/Hallways: Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings. <input checked="" type="checkbox"/> Personal Property: Establish policies for identifying personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). 	<p>Handwashing: Hand Hygiene Protocol Provide age appropriate hand washing education, define appropriate times to wash hands, and provide hand sanitizer when hand washing is not available.</p> <ul style="list-style-type: none"> ● Equipment: Cleaning Protocol <p>All shared classroom supplies and PE equipment will be cleaned and sanitized before use by another student or cohort group. All individual student personal classroom supplies are not included.</p> <ul style="list-style-type: none"> ● Events: Field trips will be designed virtually for the school year. All assemblies, athletic events, practices, special performances, schoolwide parent meetings and other large gatherings will be cancelled or held in a virtual format. <p>Physical Distancing Protocol</p> <ul style="list-style-type: none"> ● Transitions/Hallways: Hallway traffic direction marked to show travel flow. <p>Physical Distancing Protocol</p> <ul style="list-style-type: none"> ● Personal Property: Each classroom will have a limit on the number of personal items brought in to school. A full list will be sent home prior to class starting with allowable items (e.g.,

OHA/ODE Requirements	Hybrid/Onsite Plan
	refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). If personal items are brought to school, they must be labeled prior to entering school and not shared with other students.

2e. ARRIVAL AND DISMISSAL

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Physical distancing, stable cohorts, square footage, and cleaning requirements must be maintained during arrival and dismissal procedures. <input checked="" type="checkbox"/> Create schedule(s) and communicate staggered arrival and/or dismissal times. <input checked="" type="checkbox"/> Assign students or cohorts to an entrance; assign staff member(s) to conduct visual screenings (see section 1f of the <i>Ready Schools, Safe Learners</i> guidance). <input checked="" type="checkbox"/> Ensure accurate sign-in/sign-out protocols to help facilitate contact tracing by the LPHA. Sign-in procedures are not a replacement for entrance and screening requirements. Students entering school after arrival times must be screened for the primary symptoms of concern. <ul style="list-style-type: none"> • Eliminate shared pen and paper sign-in/sign-out sheets. • Ensure hand sanitizer is available if signing children in or out on an electronic device. <input checked="" type="checkbox"/> Ensure alcohol-based hand sanitizer (with 60-95% alcohol) dispensers are easily accessible near all entry doors and other high-traffic areas. Establish and clearly communicate procedures for keeping caregiver drop-off/pick-up as brief as possible. 	<ul style="list-style-type: none"> • Cohort Tracking Protocol • Physical Distancing Protocol • Student & Staff Screening & Testing Protocol • Renaissance will have multiple entrances for cohorts upon their arrival to school based on their first assigned class period. Trained staff will be assigned the duty of screening students upon their arrival. All cohorts will be assigned an entrance: <ul style="list-style-type: none"> ○ PAC stage (back entrance) ○ PAC lobby (front entrance) ○ Student center (a la carte entrance) ○ 603 ○ Band room ○ 50, 52, 57, 58, 59, 60 ○ 46, 47, 48, and 49 through hallway E entrance <p>Student & Staff Screening & Testing Protocol</p> <p>Student & Staff Screening & Testing Protocols</p> <ul style="list-style-type: none"> • Hand sanitizer dispensers are placed at all primary entrances. • Communication prepared by Principal Adrienne Hillman will share drop-off/pick-up expectations.

2f. CLASSROOMS/REPURPOSED LEARNING SPACES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Seating: Rearrange student desks and other seat spaces so that staff and students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person; assign seating so students are in the same seat at all times. <input checked="" type="checkbox"/> Materials: Avoid sharing of community supplies when possible (e.g., scissors, pencils, etc.). Clean these items frequently. Provide hand sanitizer and tissues for use by students and staff. 	<ul style="list-style-type: none"> • Seating: Rearrange student desks and tables to at least six feet apart when possible; assign seating so students are in the same seat at all times. • Materials: Each classroom will limit sharing of community supplies when possible (e.g., scissors, pencils, etc.). If needed to share, these items will be cleaned frequently. Hand sanitizer and tissues will be available for use by students and staff.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Handwashing: Remind students (with signage and regular verbal reminders from staff) of the utmost importance of hand hygiene and respiratory etiquette. Respiratory etiquette means covering coughs and sneezes with an elbow or a tissue. Tissues shall be disposed of in a garbage can, then hands washed or sanitized immediately. <ul style="list-style-type: none"> • Wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol. 	<ul style="list-style-type: none"> • Handwashing: Post age appropriate signage and provide regular reminders for hand washing. • Hand Hygiene Protocol

2g. PLAYGROUNDS, FIELDS, RECESS, BREAKS, AND RESTROOMS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Keep school playgrounds closed to the general public until park playground equipment and benches reopen in the community (see Oregon Health Authority's Specific Guidance for Outdoor Recreation Organizations). ☒ After using the restroom students must wash hands with soap and water for 20 seconds. Soap must be made available to students and staff. For learning outside if portable bathrooms are used, set up portable hand washing stations and create a regular cleaning schedule. ☒ Before and after using playground equipment, students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol. ☒ Designate playground and shared equipment solely for the use of one cohort at a time. Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment (balls, jump ropes, etc.) should be cleaned and disinfected at least daily in accordance with CDC guidance. ☒ Cleaning requirements must be maintained (see section 2j of the Ready Schools, Safe Learners guidance). ☒ Maintain physical distancing requirements, stable cohorts, and square footage requirements. ☒ Provide signage and restrict access to outdoor equipment (including sports equipment, etc.). ☒ Design recess activities that allow for physical distancing and maintenance of stable cohorts. ☒ Clean all outdoor equipment at least daily or between use as much as possible in accordance with CDC guidance. ☒ Limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms, break rooms, and elevators by limiting occupancy or staggering use, maintaining six feet of distance between adults. Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable space, understanding that tables and room set-up will require use of all space in the calculation. Note: The largest area of risk is adults eating together in break rooms without face coverings. 	<ul style="list-style-type: none"> • Students must hand sanitize before entering or leaving a classroom and before and after using any supplies or sports equipment. • As weather permits, POD will have assigned outside areas on campus to have activity breaks • Recess activities will be planned to support physical distancing and maintain stable cohorts. <i>This can include limiting the number of students on one piece of equipment, at one game/area, etc.</i> • Given the lessened capacity for equipment use due to cohorting and physical distancing requirements, teachers will need to set expectations for shared use of equipment by students and may need to support students with schedules for when specific equipment can be used. <p>Hand Hygiene Protocol</p> <p>Hand Hygiene Protocol</p> <ul style="list-style-type: none"> • Students must hand sanitize before entering or leaving a classroom and before and after using any supplies or sports equipment. • As weather permits, POD will have assigned outside areas on campus to have activity breaks • Recess activities will be planned to support physical distancing and maintain stable cohorts. <i>This can include limiting the number of students on one piece of equipment, at one game/area, etc.</i> • Given the lessened capacity for equipment use due to cohorting and physical distancing requirements, teachers will need to set expectations for shared use of equipment by students and may need to support students with schedules for when specific equipment can be used.

OHA/ODE Requirements	Hybrid/Onsite Plan
	Cleaning Protocol Physical Distancing Protocol David Heard will enforce outdoor equipment restrictions. N/A (No Recess) Cleaning Protocol Physical Distancing Protocol

2h. MEAL SERVICE/NUTRITION

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Include meal services/nutrition staff in planning for school reentry.	D6 Food Service manager Anne Leavens has been instrumental in planning meal service for all instructional models.
<input checked="" type="checkbox"/> Prohibit self-service buffet-style meals.	Student meals can be picked up from 8 locations at the start of the day and will be provided to classrooms at the conclusion of the in-person school day.
<input checked="" type="checkbox"/> Prohibit sharing of food and drinks among students and/or staff.	Sharing food and drink is prohibited.
<input checked="" type="checkbox"/> At designated meal or snack times, students may remove their face coverings to eat or drink but must maintain six feet of physical distance from others, and must put face coverings back on after finishing the meal or snack.	<ul style="list-style-type: none"> • Face Covering Protocol • Food may not be consumed in classrooms. Drinks may be consumed in classrooms.
<input checked="" type="checkbox"/> Staff serving meals and students interacting with staff at mealtimes must wear face coverings (see section 1h of the Ready Schools, Safe Learners guidance). Staff must maintain 6 feet of physical distance to the greatest extent possible. If students are eating in a classroom, staff may supervise from the doorway of the classroom if feasible.	Face Covering Protocol
<input checked="" type="checkbox"/> Students and staff must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol before meals and shall be encouraged to do so after.	Hand Hygiene Protocol
<input checked="" type="checkbox"/> Appropriate daily cleaning of meal items (e.g., plates, utensils, transport items).	Cleaning Protocol
<input checked="" type="checkbox"/> Cleaning and sanitizing of meal touch-points and meal counting system between stable cohorts.	Cleaning Protocol
<input checked="" type="checkbox"/> Adequate cleaning and disinfection of tables between meal periods.	Cleaning Protocol
<input checked="" type="checkbox"/> Since staff must remove their face coverings during eating and drinking, limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms and break rooms by limiting occupancy or staggering use. Consider staggering times for staff breaks, to prevent congregation in shared spaces. Always maintain at least six feet of physical	School spaces including staff room, offices and unused classrooms will be available for staff breaks and lunches.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>distancing and establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. Wear face coverings except when eating or drinking and minimize time in spaces where face coverings are not consistently worn.</p>	

2i. TRANSPORTATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Include transportation departments (and associated contracted providers, if used) in planning for return to service.</p> <p><input checked="" type="checkbox"/> Buses are cleaned frequently. Conduct targeted cleanings between routes, with a focus on disinfecting frequently touched surfaces of the bus (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance).</p> <p><input checked="" type="checkbox"/> Staff must use hand sanitizer (containing between 60-95% alcohol) in between helping each child and when getting on and off the vehicle. Gloves are not recommended; hand sanitizer is strongly preferred. If hand sanitizer is not available, disposable gloves can be used and must be changed to a new pair before helping each child.</p> <p><input checked="" type="checkbox"/> Develop protocol for loading/unloading that includes visual screening for students exhibiting symptoms and logs for contact-tracing. This must be done at the time of arrival and departure.</p> <ul style="list-style-type: none"> • If a student displays COVID-19 symptoms, provide a face covering (unless they are already wearing one) and keep six feet away from others. Continue transporting the student. <ul style="list-style-type: none"> ○ The symptomatic student shall be seated in the first row of the bus during transportation, and multiple windows must be opened to allow for fresh air circulation, if feasible. ○ The symptomatic student shall leave the bus first. After all students exit the bus, the seat and surrounding surfaces must be cleaned and disinfected. • If arriving at school, notify staff to begin isolation measures. <ul style="list-style-type: none"> ○ If transporting for dismissal and the student displays an onset of symptoms, notify the school. <p><input checked="" type="checkbox"/> Consult with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service.</p> <p><input checked="" type="checkbox"/> Drivers must wear masks or face coverings while driving, unless the mask or face covering interferes with the driver's vision (e.g., fogging of eyeglasses). Drivers must wear face coverings when not actively driving and operating the bus, including while students are entering or exiting the vehicle. A face shield may be an acceptable alternative, only as stated in Section 1h of the <i>Ready Schools, Safe Learners</i> guidance.</p> <p><input checked="" type="checkbox"/> Inform parents/guardians of practical changes to transportation service (i.e., physical distancing at bus stops and while loading/unloading, potential for increased route time due to additional precautions, sanitizing practices, and face coverings).</p>	<p>Mike Meunier, District Personnel Director, will coordinate transportation services</p> <p>Each bus driver will be required to:</p> <ul style="list-style-type: none"> • Visually screen students for illness • Maintain logs for contact-tracing <p>Each bus will have:</p> <ul style="list-style-type: none"> • three (3) feet of physical distance between passengers is recommended, except for students from the same household. • six (6) feet of physical distance between the driver and passengers (except during boarding and in assisting those with mobility devices); reinforce this recommendation by cordoning off seats as appropriate. • Use visual cues (e.g., floor decals, colored tape or signs) to discourage students from standing and sitting within three (3) feet of other passengers, drivers and other transit employees on the bus. • Clean and sanitize buses between routes. • Meet with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service. <p>Drivers will visually screen students for symptoms and they will keep logs for contact tracing. In addition, drivers will sanitize their hands in between students if they physically help them to load or unload the bus.</p> <p>Cleaning Protocol</p> <p>Hand Hygiene Protocol</p> <ul style="list-style-type: none"> • Isolation Measures Protocol • Student & Staff Screening & Testing Protocol

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Face coverings for all students, applying the guidance in section 1h of the Ready Schools, Safe Learners guidance to transportation settings. This prevents eating while on the bus. <input checked="" type="checkbox"/> Take all possible actions to maximize ventilation: Dress warmly, keep vents and windows open to the greatest extent possible. 	<p>Ryan Munn, Secondary SpEd Coordinator will oversee and coordinate transportation needs for SpEd students.</p> <p>Face Covering Protocol</p> <p>Communication prepared by Principal Adrienne Hillman will communicate changes to transportation services.</p> <p>Face Covering Protocol</p> <p>Air filter machines will be available in all classrooms.</p>

2j. CLEANING, DISINFECTION, AND VENTILATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Clean, sanitize, and disinfect frequently touched surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) between uses multiple times per day. Maintain clean and disinfected (CDC guidance) environments, including classrooms, cafeteria settings and restrooms. Provide time and supplies for the cleaning and disinfecting of high-touch surfaces between multiple student uses, even in the same cohort. <input checked="" type="checkbox"/> Outdoor learning spaces must have at least 75% of the square footage of its sides open for airflow. <input checked="" type="checkbox"/> Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment should be cleaned and disinfected at least daily in accordance with CDC guidance. <input checked="" type="checkbox"/> Apply disinfectants safely and correctly following labeling direction as specified by the manufacturer. Keep these products away from students. <input checked="" type="checkbox"/> To reduce the risk of asthma, choose disinfectant products on the EPA List N with asthma-safer ingredients (e.g. hydrogen peroxide, citric acid, or lactic acid) and avoid products that mix these with asthma-causing ingredients like peroxyacetic acid, sodium hypochlorite (bleach), or quaternary ammonium compounds. 	<ul style="list-style-type: none"> ● All frequently touched surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) will be cleaned between uses at least 3 times per day. ● Electrostatic sprayers have been acquired and one unit will be shared amongst three classrooms. Students may stand in the room while surfaces are disinfected but they may not sit in or use any surface until the completion of a 5-minute dwelling period. ● Ventilation systems will be checked and maintained regularly by maintenance staff. ● Air purifiers have been provided for every classroom and should be used at all times when people are present. ● No students will be involved in any sanitation or cleaning process that requires the use any disinfectant/cleaning products other than soap and water. <p>Cleaning Protocol</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Schools with HVAC systems must evaluate the system to minimize indoor air recirculation (thus maximizing fresh outdoor air) to the extent possible. Schools that do not have mechanical ventilation systems shall, to the extent possible, increase natural ventilation by opening windows and interior doors before students arrive and after students leave, and while students are present. Do not prop open doors that can pose a safety or security risk to students and staff (e.g., exterior doors and fire doors that must remain closed.)</p> <p><input checked="" type="checkbox"/> Schools with HVAC systems should ensure all filters are maintained and replaced as necessary to ensure proper functioning of the system.</p> <p><input checked="" type="checkbox"/> All intake ports that provide outside air to the HVAC system should be cleaned, maintained, and cleared of any debris that may affect the function and performance of the ventilation system.</p> <p><input checked="" type="checkbox"/> Consider running ventilation systems continuously and changing the filters more frequently. Do <u>not</u> use fans if they pose a safety or health risk, such as increasing exposure to pollen/allergies or exacerbating asthma symptoms. Consider using window fans or box fans positioned in open windows to blow fresh outdoor air into the classroom via one window, and indoor air out of the classroom via another window. Fans must not be used in rooms with closed windows and doors, as this does not allow for fresh air to circulate.</p> <p><input checked="" type="checkbox"/> Consider the need for increased ventilation in areas where students with special health care needs receive medication or treatments.</p> <p><input checked="" type="checkbox"/> Facilities must be cleaned and disinfected at least daily to prevent transmission of the virus from surfaces (see CDC's guidance on disinfecting public spaces).</p> <p><input checked="" type="checkbox"/> Consider modification or enhancement of building ventilation where feasible (see CDC's guidance on ventilation and filtration and American Society of Heating, Refrigerating, and Air-Conditioning Engineers' guidance).</p>	<p>Cleaning Protocol</p> <p>Cleaning Protocol</p> <ul style="list-style-type: none"> • Ventilation systems will be checked and maintained monthly by maintenance staff. • Air filters will be provided by the district for all classrooms. • Attempts will be made to circulate air safely in any way possible. <p>Attempts will be made to circulate air safely in any way possible. Air filter machines have been provided in every classroom.</p> <p>Attempts will be made to circulate air safely in any way possible. Air filter machines have been provided in every classroom.</p> <p>Air filter machines will be regularly maintained by the Renaissance custodian.</p> <p>Attempts will be made to circulate air safely in any way possible. Air filter machines have been provided in every classroom.</p> <p>Cleaning Protocol</p> <p>Attempts will be made to circulate air safely in any way possible.</p> <p>Cleaning Protocol</p>

2k. HEALTH SERVICES

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> OAR 581-022-2220 Health Services, requires districts to “maintain a prevention-oriented health services program for all students” including space to isolate sick students and services for students with special health care needs. While OAR 581-022-2220 does not apply to private schools, private schools must provide a space to isolate sick students and provide services for students with special health care needs. <input checked="" type="checkbox"/> Licensed, experienced health staff should be included on teams to determine district health service priorities. Collaborate with health professionals such as school nurses; SBHC staff; mental and behavioral health providers; dental providers; physical, occupational, speech, and respiratory therapists; and School Based Health Centers (SBHC).	<ul style="list-style-type: none"> Crater Renaissance Academy teachers will provide age appropriate hand hygiene and respiratory etiquette education to endorse prevention. This includes website, newsletter and signage in the school setting for health promotion. Isolation Measures Protocol Communicable disease plan

2I. BOARDING SCHOOLS AND RESIDENTIAL PROGRAMS ONLY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Provide specific plan details and adjustments in Operational Blueprints that address staff and student safety, which includes how you will approach: <ul style="list-style-type: none"> Contact tracing The intersection of cohort designs in residential settings (by wing or common restrooms) with cohort designs in the instructional settings. The same cohorting parameter limiting total cohort size to 100 people applies. Quarantine of exposed staff or students Isolation of infected staff or students Communication and designation of where the “household” or “family unit” applies to your residents and staff <input type="checkbox"/> Review and take into consideration CDC guidance for shared or congregate housing: <ul style="list-style-type: none"> Not allow more than two students to share a residential dorm room unless alternative housing arrangements are impossible Ensure at least 64 square feet of room space per resident Reduce overall residential density to ensure sufficient space for the isolation of sick or potentially infected individuals, as necessary; Configure common spaces to maximize physical distancing; Provide enhanced cleaning; Establish plans for the containment and isolation of on-campus cases, including consideration of PPE, food delivery, and bathroom needs. <p>Exception K-12 boarding schools that do not meet the Advisory Metrics (Section 0 of the Ready Schools, Safe Learners guidance) may operate, in consultation with their Local Public Health Authority, provided that:</p> <input type="checkbox"/> They have a current and complete RSSL Blueprint and are complying with Sections 1-3 of the Ready Schools, Safe Learners guidance and any other applicable sections, including Section 2L of the Ready Schools, Safe Learners guidance. <input type="checkbox"/> The school maintains a fully-closed residential campus (no non-essential visitors allowed), and normal day school operations are only offered remotely through distance learning. <input type="checkbox"/> There have been no confirmed cases of COVID-19 among school staff or students in the past 14 days. <input type="checkbox"/> Less than 10% of staff, employees, or contractors (in total) are traveling to or from campus. Staff in this designation will: <ul style="list-style-type: none"> Limit travel to essential functions. 	N/A

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> Carefully monitor their own health daily and avoid coming to campus at any potential symptom of COVID-19. <input type="checkbox"/> Any boarding students newly arriving to campus will either: <ul style="list-style-type: none"> Complete a quarantine at home for 14 days* prior to traveling to the school, OR Quarantine on campus for 14 days.* <p>* A 14-day quarantine is the safest option to prevent the spread of COVID-19 to others. However, in either option above, for boarding students who have not developed any symptoms, schools may consider ending quarantine after 10 days without any testing, or after 7 days with a negative result on a COVID-19 viral test collected within 48 hours before ending quarantine, unless otherwise directed by the local public health authority (LPHA).</p> <input type="checkbox"/> Student transportation off-campus is limited to medical care.	

2m. SCHOOL EMERGENCY PROCEDURES AND DRILLS

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> In accordance with ORS 336.071 and OAR 581-022-2225 all schools (including those operating a Comprehensive Distance Learning model) are required to instruct students on emergency procedures. Schools that operate an On-Site or Hybrid model need to instruct and practice drills on emergency procedures so that students and staff can respond to emergencies. <ul style="list-style-type: none"> At least 30 minutes in each school month must be used to instruct students on the emergency procedures for fires, earthquakes (including tsunami drills in appropriate zones), and safety threats. Fire drills must be conducted monthly. Earthquake drills (including tsunami drills and instruction for schools in a tsunami hazard zone) must be conducted two times a year. Safety threats including procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to safety must be conducted two times a year. <input checked="" type="checkbox"/> Drills can and should be carried out <u>as close as possible</u> to the procedures that would be used in an actual emergency. For example, a fire drill must be carried out with the same alerts and same routes as normal. If appropriate and practicable, COVID-19 physical distancing measures can be implemented, but only if they do not compromise the drill. <input checked="" type="checkbox"/> When or if physical distancing must be compromised, drills must be completed in less than 15 minutes. <input checked="" type="checkbox"/> Drills shall not be practiced unless they can be practiced correctly. <input checked="" type="checkbox"/> Train staff on safety drills prior to students arriving on the first day on campus in hybrid or face-to-face engagement. <input checked="" type="checkbox"/> If on a hybrid schedule, conduct multiple drills each month to ensure that all cohorts of students have opportunities to participate in drills (i.e., schedule on different cohort days throughout the year). <input checked="" type="checkbox"/> Students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.	<p>David Heard will plan the schedule and create the lessons to train students in emergency procedures.</p> <p>David Heard will plan the schedule and create the lessons to train students in emergency procedures.</p> <p>David Heard will plan the schedule and create the lessons to train students in emergency procedures.</p> <p>David Heard will plan the schedule and create the lessons to train students in emergency procedures.</p> <p>Staff will be trained by Adrienne Hillman on emergency procedures lessons during PD and staff meetings.</p> <p>Emergency drills will be planned to ensure that students on all schedule options can experience emergency procedures.</p> <p>Hand Hygiene Protocol</p>

2n. SUPPORTING STUDENTS WHO ARE DYSREGULATED, ESCALATED, AND/OR EXHIBITING SELF-REGULATORY CHALLENGES

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Utilize the components of Collaborative Problem Solving or a similar framework to continually provide instruction and skill-building/training related to the student’s demonstrated lagging skills.</p> <p><input checked="" type="checkbox"/> Take proactive/preventative steps to reduce antecedent events and triggers within the school environment.</p> <p><input checked="" type="checkbox"/> Be proactive in planning for known behavioral escalations (e.g., self-harm, spitting, scratching, biting, eloping, failure to maintain physical distance). Adjust antecedents where possible to minimize student and staff dysregulation. Recognize that there could be new and different antecedents and setting events with the additional requirements and expectations for the 2020-21 school year.</p> <p><input checked="" type="checkbox"/> Establish a proactive plan for daily routines designed to build self-regulation skills; self-regulation skill-building sessions can be short (5-10 minutes), and should take place at times when the student is regulated and/or is not demonstrating challenging behaviors.</p> <p><input checked="" type="checkbox"/> Ensure all staff are trained to support de-escalation, provide lagging skill instruction, and implement alternatives to restraint and seclusion.</p> <p><input checked="" type="checkbox"/> Ensure that staff are trained in effective, evidence-based methods for developing and maintaining their own level of self-regulation and resilience to enable them to remain calm and able to support struggling students as well as colleagues.</p> <p><input checked="" type="checkbox"/> Plan for the impact of behavior mitigation strategies on public health and safety requirements:</p> <ul style="list-style-type: none"> • Student elopes from area <ul style="list-style-type: none"> ○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> ● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention. ● Use the least restrictive interventions possible to maintain physical safety for the student and staff. ● Wash hands after a close interaction. ● Note the interaction on the appropriate contact log. ○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs. • Student engages in behavior that requires them to be isolated from peers and results in a room clear. <ul style="list-style-type: none"> ○ If students leave the classroom: <ul style="list-style-type: none"> ● Preplan for a clean and safe alternative space that maintains physical safety for the student and staff ● Ensure physical distancing and separation occur, to the maximum extent possible. ● Use the least restrictive interventions possible to maintain physical safety for the student and staff. ● Wash hands after a close interaction. ● Note the interaction on the appropriate contact log. ○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs. 	<p>Renaissance staff will use SST structures to discuss student needs and plan PD for staff. Strategies learned through Positive Discipline and Restorative Justice will guide all skill-building/training for students.</p> <p>During PLC and staff meetings, Renaissance staff will practice and implement Positive Discipline strategies.</p> <p>Michelle Grush will train staff in de-escalation techniques.</p> <p>Michelle Grush will train staff in de-escalation techniques. Advisory and health teachers will provide instruction for students.</p> <p>Michelle Grush will train staff in de-escalation techniques.</p> <p>Michelle Grush will train staff in de-escalation techniques. Site Council will provide instruction in self-care strategies for teachers.</p> <p>Renaissance staff will use SST structures to discuss student needs and plan PD for staff. Strategies learned through Positive Discipline and Restorative Justice will guide all skill-building/training for students.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> • Student engages in physically aggressive behaviors that preclude the possibility of maintaining physical distance and/or require physical de-escalation or intervention techniques other than restraint or seclusion (e.g., hitting, biting, spitting, kicking, self-injurious behavior). <ul style="list-style-type: none"> ○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> • Maintain student dignity throughout and following the incident. • Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention. • Use the least restrictive interventions possible to maintain physical safety for the student and staff • Wash hands after a close interaction. • Note the interaction on the appropriate contact log. <p>*If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</p> <p><input checked="" type="checkbox"/> Ensure that spaces that are unexpectedly used to deescalate behaviors are appropriately cleaned and sanitized after use before the introduction of other stable cohorts to that space.</p>	<p>Cleaning Protocol</p>

2o. PROTECTIVE PHYSICAL INTERVENTION

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Reusable Personal Protective Equipment (PPE) must be cleaned and disinfected following the manufacturer’s recommendation, after every episode of physical intervention (see section 2j. Cleaning, Disinfection, and Ventilation in the Ready Schools, Safe Learners guidance). Single-use disposable PPE must not be re-used.</p>	<p>Cleaning Protocol</p>

3. Response to Outbreak

3a. PREVENTION AND PLANNING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review the “Planning for COVID-19 Scenarios in Schools” toolkit.</p> <p><input checked="" type="checkbox"/> Coordinate with Local Public Health Authority (LPHA) to establish communication channels related to current transmission level.</p>	<p>Office staff will review the Planning for Covid-19 Scenarios in Schools prior to in-service week.</p> <ul style="list-style-type: none"> • Establish a specific emergency response framework with key stakeholders. (See specific steps below.) • Establish District Safety Team which includes at minimum District Nurse, Student Services Director, and Superintendent with defined team member roles and contact information. • Share District Safety Team member names and contact information with LPHA. • LPHA will collaborate with District Safety Team and school to create communication protocols for staff, families and community members. If the region is impacted, Local Public Health Authority will collaborate with district to provide school-centered communication and will potentially host conference calls. • Districts will identify baseline absentee rates/staff absence rates by school in order to determine if rates have increased by 10% or more at any given time or if the total number of absences in the school has increased to 25% of staff and/or students.

OHA/ODE Requirements	Hybrid/Onsite Plan
	<ul style="list-style-type: none"> ● Implement system to notify District Nurse/Other Health Staff when rates reach absenteeism threshold or 25% of students and/or staff are absent. ● District Nurse/Other Health Staff will review data from Influenza like Tracking Log/other Tracking Log completed by schools, evaluate illness symptoms for staff and student absenteeism, and notify LPHA if Covid-19 symptoms are present, if there is a common set of symptoms relating to increased absenteeism, or if there are any confirmed Covid-19 cases among students or staff. ● District Nurse/Other Health Staff will notify Site Administrator and Student Services Director of findings. ● District Nurse/Other Health Staff, Student Services Director, and Site Administrator will collaborate with LPHA to determine next steps which may include: <ul style="list-style-type: none"> ○ Parent/guardian communications ○ Potential exposure notifications ○ Temporary student and/or staff exclusions ○ Temporary school or cohort exclusions ○ Modification or cancellation of school events ○ School closure

3b. RESPONSE

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Review and utilize the "Planning for COVID-19 Scenarios in Schools" toolkit. <input checked="" type="checkbox"/> Ensure continuous services and implement Comprehensive Distance Learning. <input checked="" type="checkbox"/> Continue to provide meals for students. 	<ul style="list-style-type: none"> ● Adhere to the communication and response protocols collaboratively developed by the district and the LPHA. ● Identify baseline absentee rates to determine if rates have increased by 10% or total absences are 25% or more of staff and/or students. ● Modify, postpone, or cancel large school events as coordinated with LPHA. ● Work with LPHA and identified response team (link to list from team above) to communicate with staff, students and families. ● When novel viruses are identified in the school setting, and the incidence is low, the local health department will provide a direct report to the District Nurse/Other Health Staff on the diagnosed case. Likewise, the LPHA will impose restrictions on contacts. ● Follow District Communicable Disease Plan and collaborate with LPHA. ● In the event of a short-term closure (4 weeks or less), the district will initiate short-term Comprehensive Distance Learning and continued food services. ● If the closure is longer than 4 weeks, the district will move into providing ongoing Comprehensive Distance Learning and continued food services. ● The District Lead Team with the District Nurse/Other Staff and LPHA will convene to develop clear communication regarding the criteria which must be met in order for on-site instruction to resume. <p>For Suspected or Known Individual or Family Covid-19 Cases:</p> <ul style="list-style-type: none"> ● District Nurse/Other Staff will be immediately notified by school or via LPHA. ● If notified by school, District Nurse/Other Health Staff will contact family and health care provider, if appropriate, to gather data and contact LPHA <ul style="list-style-type: none"> ○ District Nurse/Other Health Staff will report to LPHA any cluster of illness (2 or more people with similar illness) among staff or students ● If notified by LPHA, District Nurse/Other Health Staff will notify Site Administrator and Student Services Director, and collaborate with LPHA, providing contact and/or cohort logs,

OHA/ODE Requirements	Hybrid/Onsite Plan
	<p>attendance information, and potential contact information to LPHA. District and LPHA will collaborate to determine next steps as listed above including:</p> <ul style="list-style-type: none"> ○ Determination if exposures have occurred ○ Cleaning and disinfection guidance ○ Possible classroom or program closure <ul style="list-style-type: none"> ● Every effort will be made to maintain student and/or staff confidentiality. <p>For Regional Impact District Safety Team inclusive of District Nurse/Other Health Staff, Site Administrator and Student Services Director will collaborate with LPHA to determine and address any steps needed under the direction of the LPHA.</p>

3c. RECOVERY AND REENTRY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Review and utilize the “Planning for COVID-19 Scenarios in Schools” toolkit. ☒ Clean, sanitize, and disinfect surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and follow CDC guidance for classrooms, cafeteria settings, restrooms, and playgrounds. ☒ When bringing students back into On-Site or Hybrid instruction, consider smaller groups, cohorts, and rotating schedules to allow for a safe return to schools. 	<ul style="list-style-type: none"> ● Adhere to the communication and response protocols collaboratively developed by the district and the LPHA. ● In the event of a short-term closure (4 weeks or less), the district will initiate short-term Comprehensive Distance Learning and continued food services. ● If the closure is longer than 4 weeks, the district will move into providing ongoing Comprehensive Distance Learning and continued food services. ● If in a collaborative conversation between LPHA and the district a school closure is advised by the LPHA, the district will make the final decision and a consultation will occur between legal, union, and district administration to ensure processes are consistent with legal preparedness processes. ● In collaboration between the district, school and LPHA, the return of students and staff for on-site instruction will be discussed and determined. ● District will communicate with families about options and efforts to support returning to on-site or hybrid learning and share estimated timeline for re-opening. <p>Consult with LPHA for guidance on cleaning, sanitizing and disinfecting surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transportation vehicles) and follow CDC guidance for classrooms, cafeteria settings, restrooms, and playgrounds before re-opening.</p>

ASSURANCES

This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.

This section does not apply to private schools.

- We affirm that, in addition to meeting the requirements as outlined above, our school plan has met the collective requirements from ODE/OHA guidance related to the 2020-21 school year, including but not limited to requirements from:
 - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
 - The [Comprehensive Distance Learning](#) guidance,
 - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
 - [Planning for COVID-19 Scenarios in Schools](#)

- We affirm that we cannot meet all of the collective requirements from ODE/OHA guidance related to the 2020-21 school year from:
 - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
 - The [Comprehensive Distance Learning](#) guidance,
 - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
 - [Planning for COVID-19 Scenarios in Schools](#)

We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled “Assurance Compliance and Timeline” below.

-  **4. Equity**
-  **5. Instruction**
-  **6. Family, Community, Engagement**
-  **7. Mental, Social, and Emotional Health**
-  **8. Staffing and Personnel**

Assurance Compliance and Timeline

If a district/school cannot meet the requirements from the sections above, provide a plan and timeline to meet the requirement.

List Requirement(s) Not Met	Provide a Plan and Timeline to Meet Requirements <i>Include how/why the school is currently unable to meet them</i>
