“At Hanby Middle School, students achieve an academic maturity by identifying themselves as learners and thrive in a culture of personalized learning. Hanby offers a wide range of opportunities, experiences, curriculum, and projects to meet students’ needs, leading all students to be career and college ready.”

Hanby Middle School Students and Parents: We have included in this handbook information we hope will be helpful to you throughout the school year. Please use it as a reference whenever you have questions about school programs, events and procedures.

Students: You will be asked to share this handbook with your parents, particularly the sections of the handbook on the Code of Conduct, Discipline and Consequences. It is important that the school rules, regulations and responsibilities are communicated to your parents through this handbook.

MIDDLE SCHOOL PHILOSOPHY:

Hanby Middle School has implemented a carefully designed package of interventions to improve student behavior, decrease classroom disruptions, and increase school safety. District #6 shall deny regular school admission to a student who is expelled from another school district for an offense that constitutes a violation of applicable state or federal weapons law and who subsequently becomes a resident of District #6 who applies for admission to the district as a non-resident student.

If you move during the school year, please report changes in your mailing address and telephone number to the main office as soon as possible.

ALTERNATIVE EDUCATION OFFERINGS

Hanby Middle School students who need other options for academic success due to attendance, disciplinary issues, academic concerns, or need for a smaller structured learning environment have several options within District #6. Alternative learning opportunities are available by contacting the principal. (Spaces are limited)

GENERAL SUPERVISION

Supervision is provided for students at designated times before and after school (7:45-3:05). Supervision is also provided during school activities and lunch break. ***Students on the school grounds outside of school times will be considered to be under the supervision of their parents unless specific arrangements have been made with a teacher, coach, or administration.***

Off-Campus and outside-of-school-time conduct that violates the District's Student Code of Conduct may also be the basis for discipline if it has the potential to disrupt or impact the safe and efficient operation of the school or interfere with the rights of others.

HOMELESS STUDENTS

District #6 provides full and equal opportunity to students in homeless situations as required by law, including immediate enrollment. School records, medical records, proof of residence or other documents will not be required as a condition for admission. A student is permitted to remain in his/her school of origin for the duration of his/her homelessness or until the end of any academic year in which he/she moves to permanent housing.

Transportation to the student's school of origin will be provided, at the request of the parent, or in the case of an unaccompanied student, at the request of the District's liaison for homeless students. For additional information concerning the rights of students and parents of students in homeless situations or assistance in accessing transportation services, contact Central Point School District #6 Central Office (494-6200).

MAIN OFFICE

The office is your source of information. Parents are always welcome at school. Whenever you have business at the school, please check in at the office. Teachers are glad to meet with parents by appointment; however, teachers' daily responsibilities generally do not allow for spontaneous conferences.

TELEPHONE USAGE

Classroom phones are to be used for emergencies. They are not to be used by students for personal reasons. In case of illness, students should report to the Student Services Office with a pass from their teacher. Office phones are used for business purposes only.

CELL PHONE USAGE

Devices shall be turned off during school hours (8:15 AM – 2:50 PM) and secured in a locker. Cell phones are not to be taken on field trips unless permission has been given ahead of time. Students found in violation of this rule may have their phone confiscated by the instructor and turned in to the office. If there are multiple violations the parent will be asked to pick up the phone at school. Because of photo technology cell phone usage is banned in locker rooms, buses and restrooms. Advance authorization by a building administrator may permit use for health or safety reasons, or in the event of an emergency situation that involves imminent physical danger.

VISITORS

For the safety of our students, all visitors must report to the office upon arriving on campus. Visitors are not allowed on the school grounds without permission from the Principal. **Students from other schools are not allowed to visit Hanby students during the school day.**

HEALTH AND SAFETY

ANIMALS

Although students are often anxious to share pets and creatures for science, for reasons of safety and accommodation, permission must be granted by the administration before animals are brought to school. Animals should be at the school for a limited time then taken home if they are being used for a school project. School buses will not transport animals to or from school.

ASBESTOS

Central Point School District #6 has complied with the Asbestos Hazard Emergency Response Act (AHERA) by having its buildings inspected by accredited inspectors and the development of a management plan for the control of this substance. The management plan is available for public inspection in the District Office. The Superintendent, Walt Davenport, serves as the District's asbestos program manager and may be reached at the Central Point District Office.

COMMUNICABLE DISEASES

Parents of a student with a communicable or contagious disease are asked to telephone the school so that other students who have been exposed to the disease can be alerted. Students with certain contagious conditions are not allowed to come to school while the disease is contagious. (*This restriction can be removed by a written statement from the local health officer or a licensed physician that the disease is no longer communicable to others in the school setting.*) For head lice, the restriction may be lifted after verification of treatment, provided no live lice and/or nits are present.

MEDICATION

UNDER NO CIRCUMSTANCES WILL A SCHOOL EMPLOYEE PROVIDE ANY MEDICATION TO A STUDENT. If medication needs to be taken at school, it must be checked into the main office. This includes both prescription and over-the-counter drugs. Written permission from parent/guardian and/or instructions from the physician must be provided if medication is to be administered. The medication must be in original labeled container. **Medication should not be kept in a locker.**

Student violations may result in discipline up to and including expulsion. Students are responsible for any fees, fines or other charges that they inappropriately incur.

LOCKERS

Lockers and other District storage areas provided for student use remain under the jurisdiction of the District even when assigned to an individual student. The District reserves the right to inspect all lockers. Open liquid containers are not allowed in the student's locker, except under special circumstances and approved by the office.

PASSES

Hall Passes are required when students are out of the classroom during class time. Your teacher issues these passes. Office Passes are sent from the office to request students to see the Principal, or Student/ Main Office Staff. You must have either a Hall Pass signed by your teacher or an Office Pass to be out of class. To enter the hallway during a lunch period students must have permission from a teacher or a duty staff.
